Alex – when we redo the payment schedule for the grant in order to accommodate the proposed changes to the retention bonuses, we need to change the payment schedule to make payments by December 31 and June 30 of each year, including this year.

Let me know once you've recalibrated the annual costs of the total MPD recruit/retain.

Since the city's fiscal year is July to June, MSCC should be fine to make quarterly payments at the end of each quarter beginning **June 30, 2017**.

Will that work ok?

Not sure really. I'll see if I can get a better idea today about when to expect grants. I know autozone typically pays out grants in 4th quarter for example.

Alex – can the annual grant installments be paid at the end of year? I'm worried about cash flow for the crime commission as they will be dependent on the corporations' and foundations' budget cycles which are different for each.
